Meditron
ESTD. 1977

MEDITRON : At a glance

MEDITRON : Established in the year 1977 and headed by an Engineering Graduate, today offers excellent facilities for design and manufacture of a comprehensive range of electrical/electronic products & systems.

Meditron is professionally managed by experienced and qualified personals. It is a one stop shop offering complete range of Power Control, Distribution, Protection & Industrial Automation. In the year 2001, we have also developed & tested 'Vacuum Circuit Breaker -12kV,1250Amp, 26.3kA'.In our routine production so far more than 1200 systems comprising of VCB's have been designed, manufactured & supplied by us to various customers under the brand name "MEDITRON".

Over the last 39 years the company has worked relentlessly to achieve its objective to produce products of high quality and reliability to meet the total requirements of the end users & come up to their expectations. We always strive for continual customer satisfaction & maintain our position as a quality manufacturer & supplier.

To add to our product basket, we have also been certified by ABB as their OEMs for their 33KV indoor breakers since 2012.

Meditron employs over 100 skilled & dedicated personnel. We deliver value to Customers, & Business Partners. Customer satisfaction & high standard quality is ensured through vibrant quality system, quick services, continuous improvement & rigorous inspection at incoming, in process & at final stage.

Our products are preferred choice of customers due to wide range availability, quality & easy installation.

Our excellent engineering background, team work & manufacturing facilities give Meditron multi dimensional capability to produce total electrics for Steel Plants, Machine Tools, Heavy Machinery, Coal Handling Plants, Process Plants, Crane Controls, Electricity Boards, Sub Stations & Utilities.

We are an ISO 9001:2008 certified company & we have a well defined quality management systems for Design, Development, Manufacture and Supply of HT & LT Electrics. Produced at state of the art manufacturing facilities, under stringent quality control, all its products are in strict conformance with international standards like IS, IEC and IEEE, to meet most demanding operating conditions.

At Meditron the key word is customer satisfaction, so you can always expect highest quality products made as per your specification & delivered within committed time.

CERTIFICATE OF APPRECIATION

Productivity Award 1995 - 96
(Category C)

This Certificate is awarded by the
Confederation of Indian Industry
(Eastern Region)
to

MEDITRON

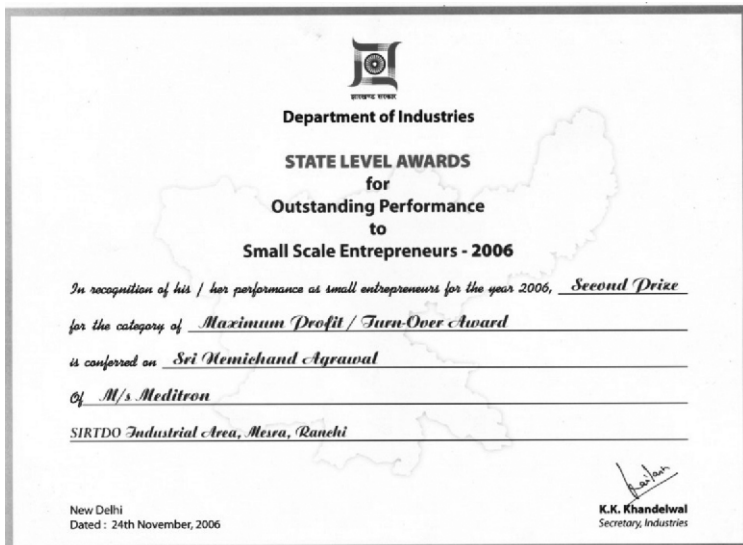

in appreciation of the initiatives taken towards
improvement in Productivity.

Organisation

Outdoor Porcelain VCB
Upto 33 KV

MEDITRON PRODUCTS

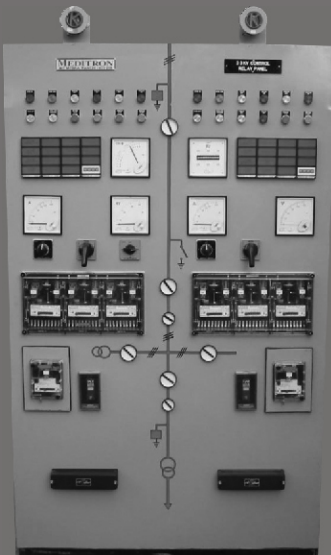

Indoor VCB Truck

Indoor VCB with ABB Breaker

Upto 132 KV Relay Panel

11 KV VCB Panel

Field Switch

Power Control Centre

Motor Control Centre

MEDITRON : PRODUCTS

1 MVA Mine Substation

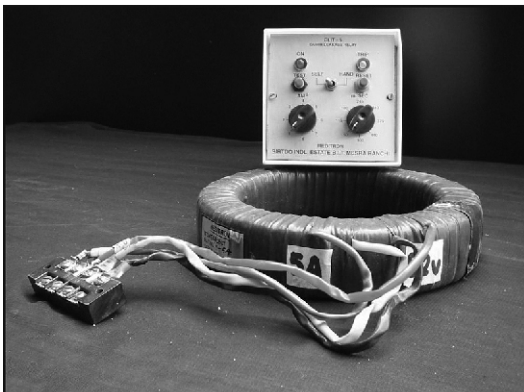

630 KVA Unitised Substation

Hut Type 20 MVA Substation

1 MVA remote controlled Substation with SCADA

Earth Leakage Relay

6.6 KV Couplers

Prestigious Projects Executed (MEDITRON)

1. ISRO - Sriharikota : Electrics for Vehicle Assembly Building of Second Launch Pad.
2. Jharkhand State Cricket Association (J..C.A) : Electrics for International Cricket Stadium ,Ranchi.
3. Bhilai Steel Plant : Electrics for modernisation and expansion of BSP's various Projects.
4. Heavy Machine Tools Plants - Ranchi : Electrics for Vertical Boring M/c for Barrel of Bofors Gun.
5. Central Coal Fields Limited - Kargali Washry : Electrics for Cross Country Transport (A 3.5 km Conveyor System).
6. Bharat Earth Movers Ltd : HT Electrics for Walking Drag Line.
7. Uttarakhand Power Corporation Ltd : Hut Type Compact Sub Station- Ready to use solution for 33/11 k V -3 /5 MVA Sub Station.
8. Bhilai Steel Plant : Crane Electrics for DC Ladle Crane.
9. Durgapur Steel Plant : Complete Electrics with PLCs for Wheel & Axle Plant (Automatic Loading & Unloading of Railway Wheels)
10. Central Coal Fields Limited - Piparwar Project : 1 MVA Unitised Sub Station with full facility of SCADA and remote control, MCC etc.- An import Substitute of KRUPP, Australia.
11. Neyveli lignite Corporation Ltd : HT MCC for Floating Motors for Ground Water Control.
12. Heavy Engineering Corporation Ltd : LT Switchgears (PCC) for CHP & OHP of Bhilai Steel Plant - A RMHS Pkg.
13. Jharkhand Bijli Vitran Nigam Ltd : Supplied More than 500 11kv -630 Amps VCBs for Distribution Net Work
14. CCL, MCL, NCL, SCCL : Number of Unitised Sub Stations & Field Switches for Rope Shovels & Drills.

Inspecting Agencies

Following are the agencies / third parties by whom our products are being inspected & accepted

1. : **M/s. M. N. Dastur & Co. Ltd. – Kolkata**
2. : **M/s. Rites Ltd. – Kolkata**
3. : **M/s. MECON Ltd. – Ranchi**
4. : **M/s. CET- SAIL, RDCIS- Ranchi**
5. : **M/s. C.P.R.I.**
6. : **M/s. C.M.P.D.I.L**

OUR ESTEEMED & PRESTIGIOUS CUSTOMERS (MEDITRON)

1. : Indian Space & Research Organization – Shri Harikota
2. : Indian Oil Corporation Limited – Barauni Refinery
3. : Steel Authority of India Limited (Bokaro, Bhilai, RSP, IISCO, DSP)
4. : Metallurgical & Engineering Consultants India Ltd
5. : Engineering Projects India Ltd
6. : Tata Steel – Jamshedpur
7. : Indian Aluminium Co. Ltd
8. : Bharat Heavy Electricals Limited- ISG – Bengaluru
9. : Coal India Limited (CCL, MCL, SECL, BCCL, NCL, WCL)
10. : Neyveli Lignite Corporation Limited- Neyveli
11. : Central Mine Planning & Design Institute Ltd
12. : Singareni Collieries Company Limited – Kathgodam
13. : Uranium Corporation of India Limited
14. : Jharkhand Bijli Vitran Nigam Limited (Formerly – JSEB)
15. : Bihar State Electricity Board
16. : Uttarakhand Power Corporation Limited – Dehradun
17. : Power Development Department – Jammu
18. : Heavy Engineering Corporation Ltd – Ranchi
19. : Bharat Earth Movers Limited – Kolar Gold Fields
